What Does Your Home Need This Season?

What about your rugs?

Have you given any thought to the question of curtains?

How about a new chair for the living room—a library table-or an extra bureau in the guest room?

Now during the house-cleaning season you ought to make sure that these little odds and ends are taken care of. You ought to make sure that your house is properly equipped with the little things that make it homelike and comfortable.

We are making an exhibit this week, particularly for women who are cleaning house. It will pay you to come in and look around.

Ladies are cordially invited to make use of our ladies' rest room. Our cool store will make shopping a pleasure these warm days.

THE STORE OF QUALITY

ICE YOU CAN USE

Your physician will tell you that ice, made after the process of the Peoples' ice and Storage Company, can be consumed directly in summer drinks without ill results.

IT WOULD BE FATAL IN MANY CASES OF SICKNESS TO USE ICE WHOSE ORIGIN IS UNCERTAIN. This means much to the invalid afflicted during the warm months, and the possibility of having such a product made in Deming is a comfort which our patrons appreciate greatly.

Remember our ice is made directly from Deming 99.99, drawn from a sealed well directly into the cooling tanks. There is no opportunity for bacteria or other foreign matter to get in. The ice comes out in clear, hard cakes and, when melted, retains all the natural snap and vigor which has made Mimbres Valley water world famous.

Remember, ice was never sold in Deming for fifty cents a hundred inds before. This means that you can use a
